Starting two itinerant dispensaries in Shimoga Town

With reference to your Memo dated 16-11-1943 forwarding a copy of your letter of even date addressed to the Secretary to Government Law Department, on the above subject I have the honour to state that a considerable number of our L M Ps have been recruited to War Service and great difficulty is experienced in recent months in securing the services of sufficient number of hands to fill up the vacancies in the regular cadre of the Department itself on a pay of Rs 50/- The hands to be entertained for duty in these itinerant dispensaries have to accept temporary posts of only three months tenure and pay heavy house rents in Shimoga for this temporary period It is therefore equitable to fix their salaries at a higher rate as otherwise it may not be possible to find men for the posts I propose that the scale of pay of Sub Asst Surgeons and compounders be fixed as follows -

Sub Assistant Surgeons 2 on Rs 75/- plus 25 allowance
Compounders 2 on Rs 25/- plus 5 allowance

On hearing from you I shall arrange to post two S
Assistant Surgeons to Shimoga for starting the work
